UM ATHLETES MAKE THE GRADE

MISSOULA --

University of Montana student-athletes excelled in academic achievement as well as sports during fall semester 2002.

The student-athlete cumulative grade-point average was 2.91, and more than half of the students received a 3.0 GPA or higher. Thirty of UM's 280 student-athletes made the Dean's List, which requires at least a 3.5 GPA, and 20 earned a perfect 4.0.

The women's volleyball team received the highest GPA with an average of 3.18. UM's women's cross-country/track, golf, tennis and soccer teams also earned cumulative GPAs above 3.0. The Lady Griz maintained a cumulative GPA of 2.96, men's basketball earned an average GPA of 2.62 and nearly half of UM's Grizzly football team earned GPAs of 3.0 or higher.

"This continued academic success by UM's student-athlete population shows what accomplished students we are able to attract to our sports programs every year," said Jean Cornwall, UM Athletic Academic Services coordinator. "These students are not only making our community proud through their extraordinary performance on the court or field, they are also making us proud through their performance in the classroom."
